

You Must know this Man!

You must know this man...Muhammad

You may be an atheist or you may belong to any one of the religious denominations that exists in the world today...you may be a communist or a believer in democracy and freedom...no matter what you are...and no matter what your religious and political beliefs, personal and social habits happen to be...you must still know this man.

He was by far the most remarkable man that ever set foot on this earth...he preached a religion, founded a state, built a nation, laid down a moral code, initiated numberless social and political reforms, established a dynamic and powerful society to practice and represent his teachings, and completely revolutionalised the words of human thought and action for all times to come.

His name is Muhammad, peace and blessings of Almighty God be upon him, and he accomplished all these wonders in the unbelievably short span of twenty-three years. Muhammad, peace and blessings of God Almighty be upon him was born in Arabia on the 20th of August, in the year 570 of the Christian era and when he died after 63 years, the whole of the Arabian peninsula had changed from paganism and idol worship to the worship of one God, from tribal quarrels and wars to national solidarity and cohesion, from drunkenness and debauchery to sobriety and piety from lawlessness and anarchy to disciplined living, from utter moral bankruptcy to the highest standards of moral excellence. Human history has never known such a complete transformation of a people or a place before or since.

The encyclopedia Britannica calls him the most successful of all religious personalities of the world...Bernard Shaw said about him that if Muhammad were alive today he would succeed in solving all those problems which threaten to destroy human civilization in our times...Thomas Carlyle was simply amazed as to how one man single handedly could weld warring tribes and wandering Bedouins into a most powerful and civilized nation in less than two decades...Napoleon and Gandhi never tired of dreaming of a society along the lines established by this man in Arabia fourteen centuries ago.

Indeed no other human being ever accomplished so much in such diverse fields of human thought and behavior, in so limited a space of time, as did Muhammad, peace and blessings of God Almighty be upon him, he was a religious teacher, a social reformer, a moral guide, a political thinker, a military genius, an administrative colossus, a faithful friend, a wonderful companion, a devoted husband, a loving father - all in one. No other man in history ever excelled or equaled him in any of this difficult departments of life.

The world has had its share of great personalities. But these were one sided figure who distinguished themselves in but one or two fields such as religious thought or military leadership. No one of the other great leaders of the world ever combined in himself so many different qualities to such an amazing level of perfection as did Muhammad, peace and blessings of God Almighty be upon him.

You Must know this Man!

The lives and teaching of other great personalities of the world are shrouded in the mist of time. there is so much speculation about the time and the place of their birth, the mood and style of their life, the nature and detail of their teaching and the degree and measure of their success or failure that is impossible for humanity today to reconstruct accurately and precisely the lives and teaching of those men.

Not so this man Muhammad, peace and blessing of God be upon him. Not only was he born in the fullest blaze of recorded history, but every detail of his private and public life of his actions and utterances, has been accurately documented and faithfully preserved to our day the authenticity of the information so preserved is vouched for not only by faithful followers but also by unbiased critics and open minded scholars.

At the levels of ideas there is no system of thought and belief, secular or religious, social or political which could surpass or equal Islam; the system which Muhammad peace and blessing of God Almighty be upon him propounded. In a fast changing world, while other systems have undergone profound transformation, Islam alone has remained above all change and mutation and retained its original form for the past 1400 years. What is more, the positive changes that are taking place in the world of human thought and behavior, truly consistently reflect the healthy influence of Islam in this areas. Further, it is not given to the best thinkers to put their ideas completely into practice, and to see the seeds of their labors grow and bear fruit, in their own life time. Except of course, Muhammad peace and blessing of God Almighty be upon him who not only preached the most wonderful ideas but also successfully translated each one of them into practice in his own life time. At the time of his death his teaching were not mere precepts and ideas straining for fulfillment, but had become the very core of the life of tens of thousands of perfectly trained individuals, each one of whom was a marvelous personification of everything that Muhammad, peace and blessing of God Almighty be upon him, taught and stood for. At what other time or place and in relation to what our political, social, religious, system, philosophy or ideology did the world ever witness such a perfectly amazing phenomenon?!

Indeed no other system or ideology secular or religious or political, ancient or modern could ever claim the distinction of having been put into practice in its fullness and entirety, even once in this world either before or after the death of its founder. Except of course Islam, the ideology preached by Muhammad peace and blessings of God Almighty may be upon him which was established as a complete way of life by the teacher himself before he departed from this world. History bears testimony to this act and the greatest skeptics have no option but to concede this point.

In spite of this amazing achievements and in spite of the countless absolutely convincing and authentic miracles performed by him and the phenomenal success which crowned his effort he did not for a moment claim to be God or God incarnation or son, but only a human being who was chosen and ordained by God to be a teacher of truth to mankind and a complete model and pattern for their actions.

You Must know this Man!

He was nothing more or less than a human being, but he was a man with a noble and exalted mission and his unique mission was to unite humanity on the worship of one and only God and to teach them the way to honest and a bright living in accordance with laws and commands of God. He always described himself as a messenger and servant of God and so indeed every single action and movement of his proclaimed him to be.

A world which has not hesitated to raise to divinity individuals whose very lives and missions have been lost in legend and who historically speaking did not accomplish half as much -or even one tenth- as was accomplished by Muhammad, peace and blessings of God Almighty be upon him, should stop to take serious note of this remarkable man claim to be God messenger to mankind.

Today they offer the same undying hope for treating mankind many ills which they did when Prophet Muhammad, peace and blessings of God Almighty be upon him, was alive. This is our honest claim and this is the inescapable conclusion forced upon us by a critical and a biased study of history
